

# Inverness Harriers AAC - Scottish National Cross Country Championships

23rd February 2013 - Falkirk

## Special Edition Photos Order Form

One of the coaches who attended the recent Scottish National Cross-Country Championships took photos of the club's participation in Falkirk. It was decided to help raise funds for the club's forthcoming trip to Sweden for the Gothenburg Youth Games by making a number of these photos available to buy. All the athletes that competed in Falkirk were photographed and there is a gallery of these special edition portraits available to view through the club website.

The photographs are black and white, while the club vest is highlighted in the maroon and gold colours. They feature the athletes competing in their respective events. The photographs are printed to 8" x 6" size and come ready mounted and framed. Each photograph is available for £15-00.

To order, please fill in the form below and return with full payment to Grant Nairn (U11/U14 coaching assistant) at either the Tuesday or Thursday training sessions. Photos will be returned upon completion via the athlete, again at the next available training session.

Example prints are available to view on training nights, please see Grant Nairn for more details. There will also be examples to view at the Club cross-country prize giving at the Ice Centre on Saturday, 23rd March.

Please accept my order for the photograph(s) listed below. Cheques should be made payable to 'Inverness Harriers AAC'.
