

# **VOLUNTEER REQUIRED**

## Volunteer Co-ordinator

### **ROLE**

- Are you good at networking or able to spend a little time online/on phone catching up with parents or keeping our volunteer network running?

### **SKILLS**

- Ability to make some regular communications to parents/volunteers, and keep them updated of any needs. One-size fits all with emails won't work, but it's not about spending hours with communicating. It's a new role to help shape for the Club

### **LEVEL OF COMMITMENT**

- Ad hoc nature, but with the willingness and time to pick up quickly should there be a pressing need for a handful of volunteers.
