

VOLUNTEER REQUIRED

Declaration Assistant

ROLE

- Helping out as part of a group, on event days – taking athlete names/details, sometimes taking monies, and then completing field/track cards for the actual event.

SKILLS

- No specific skills required, but a basic level of administrative skill is useful as there will be either writing of names or looking up names under a little pressure as there is usually a “rush” of customers. Fast paced at the time!

LEVEL OF COMMITMENT

- Events tend to be mainly at weekends (summer season), and it fits well with taking your child along to the event anyway – maybe just getting here a little earlier.

EXPERIENCE

None required – instruction will be given on the day of the event.
