

VOLUNTEER REQUIRED

IT Assistant

ROLE

- Help with joining up our various laptops/kit for future club events such as mini-meets, open graded meetings or other club hosted events.

SKILLS

- Patient, computer literate, able to give a few hours to help, and ideally be able to help at our next event (but with a short period of time before then to assist).

LEVEL OF COMMITMENT

- A couple of hours initially, and ideally be able to help at our next event (but with a short period of time before then to assist).

EXPERIENCE

This is not a weekly commitment, but is essential to help us make our Track & Field events simpler to administer/run and help us to go electronic with our events, and therefore get results up on Power of 10 far quicker.
