NOTES

The Scottish Inter-Regional Championships were introduced in 2009, replacing the Scottish Closed Championships which had been held between 2006 and 2008. The Inter-Regional Championships was a selection event, with 6 teams representing the following regions: Central, East, Highland & Grampian, Tayside & Fife, West City, West Coast. The team results were:

2009: West Coast 467, West City 430, Tayside & Fife 383, East 331, Central 288, Highland & Grampian 251.

2010: Tayside & Fife 433, West City 385, East 380, West Coast 360, Central 282, Highlands, Islands and Grampian 279.

2011: East 449, West Coast 291, Highlands, Islands and Grampian 246, West City 229, Central 210, Tayside & Fife 156.

The 2009 and 2010 events were held in May with the 2011 event at the end of August. The poor support for the 2011 event, with teams not being able to fill all their places, led to a return to the District Championships in 2012.

The Scottish North District Track & Field Championships only includes information from the 1992 season onwards and only documents the winners for each event per age category.
